CRUISAIR MARINE A/C SYSTEMS TROUBLESHOOTING GUIDE

The air conditioner cools by two primary methods (in effect) by lowering the air temperature and removing humidity. Of the two, removing humidity is the most effective in you "feeling" cool. ... Removed the unit and took to a Dometic repair center where it set for several months. Since I had self installed, wasn't sure about warranty so ...

RV AC Troubleshooting

My Dometic unit is blowing hot air or outside air. Had a repair service come out and look at it and they said it was the compressor and want to put a new unit on. My camper is a 2016 model and I find it hard to believe the compressor has already gone bad. They claim they have had other Dometic compressors gone bad and it must have been a bad batch.
