The true nature of the Warframes and their Tenno connection is a secret lost to the Old War. Together, they represent our best hope in turning the tide of the machine war.

Warframes are unique from Dax and other Infantry, deploying dangerous and esoteric Void energy, and equipped with often mundane physical weapons – this is key to fighting an enemy that had turned our technology against us.

Verso

In *Frames of War*, Judith Butler explores the media's portrayal of state violence, a process integral to the way in which the West wages modern war. This portrayal has saturated our understanding of human life, and has led to the exploitation and abandonment of whole peoples, who are cast as existential threats rather than as living populations in need of protection.

What is Judith Butler's argument in Frames of War? | eNotes

[9] Frames of War thus offers readers an examination of why sentiments during wartime inevitably determine if lives are grievable or not. Butler gives great insight into how, as social beings, humans are intertwined with the societies they live in and can fall victim to the frames they uphold.
